VCC V CCG,

The trouble with the world is that the stupid are cocksure and the intelligent are full of doubt, (Russell) Victory have thousand fathers, but defeat is an orphan.

Our new captain lost the toss, they elected the bat first, our soft spoken captain have lethal strategy against these boys, due to last nightmare against HBS, I saw our captain shed few crocodile tears, but soon we forget that horrible incident. If lion Heart Richards (Vore) should shot us in same grounds and save the dignity of CCG.

H Mir,dominate bowling attack with consummate ease, he was very near to have a maiden Hat-rick, he has huge knowledge of cricket, his sharp observation gives him a imagination how to trap the batsman,he peeps in his mind, azuming how many shots have in his mind, H Mir immediately judge the style of batsman, he knight a web according to his skills, soon he brings a result during the heat of battle, setting the fielding on his best manners, he is a gritty competitor a player that can be relied on to give you consistent performance.

Nobody can be so amusingly arrogant as a young man who has just discovered a old idea and thinks it is his own Sydney Harris said, it is completely fit with them, vcc boys thought that we are young and we knows better then these old grumpy and rusty bunch of people. They do not know old masters are full with experience. But you can

not beat experience, that was their illusion, of course they have home advantage also.

The glorious partnership between H Mir and Alex de Geer 110 was foundation of victory (DL) our genius captain calculate mathematically correct, that we won this episode comprehensively, beside that, we have been playing under shower till start of our inning.

The great gladiator Alex de Geer, launch his campaign with majestic manners, first of all, he establish his strategy accordingly the situation, by nature he is very cautious, in beginning of his inning he servive against loud appeal, unfortunately Dike Baird deny harshly, after that he never look back, his immaculate technique and patines are essential for this beautiful game of cricket, once upon a time Sir Grace said, cricketers have always grumbling because roses have thorn, I am thankful that thorn have roses, in this creative episode Red ball is symbolically given name roses with eleven thorns.

There is no words who could described perfaction of his inning, a glorious 6 and delightful 4 fours create heavenly feelings in your soul, it just dance of butterfly in the air. He bated in a similarly purposeful and unflappable manners to ensure his team must win this match.

A very graceful silky player, he just has his beautiful way of playing the ball around the field, his timing is marvelous, very smooth no panic in his brain, he is absolute master of his craft. His half century is the foundation of victory.

Very economical with ball, wicket to wicket, batsman have room to read his in-cutter or out cutter, unfortunately no wicket against VCC.

Victor was heavily criticized for being reactive and lacking imagination and no command in the battle field, captaincy of R Bower was disaster, he need full dose of wisdom.

Business as usual, Mr perfect Chaudhry, mesmerizing the batsman, his pin point accuracy sheer perfection earn him 2 wicket. extra economical spell, putting them under pursuer is his hidden weapon. He has killer instinct, innovative and variation is his weapon.

All credit goes to Wim the great, he handle a leadership with high caliber, all his decisions were perfect, timing was marvelous, he is in process of developing the arts of captanicy , not he has two victories under his helm. He administrates the match with wisdom.

No doubt, I am impress the fielding of Dedriek, his throw and accuracy was brilliant, he was fully concentrated in the battlefield, his urge of winning the battle was a remarkable, he hats of loosing the match, slowly but surly he is coming back in action, his powerful throw and aiming the wicket is surprising all of us. spectacular victory against VCC. I wish to have people with highest talent and widest experience. If I see yesterday my prayer has been fulfilled to see in my team have immortal spirit and joy to keep playing cricket.Indeed caparisons with Late Sir Donald Brad-man have been part and parcel of his career The Don even said Tendulkar was the closest modern equivalent to him, still I believe no body ever break the record of Brad-man. That is all gentleman.
