THAT WAS THAT 66ste jaargang nr. 10

Wedstrijdverslag Quick v CCG

Do not wait for extraordinary circumstances to do good, try to use ordinary situation" .

No doubt, what commonly known as "match temperament" the instinct to welcome and rise to a "big occasion" is main part of an individual's psychological "make up" but a great deed can be done to build the right attitude of mind and acquire self control. H Mir, launch his inning with careful manners. few time he payed rankles shots fortunately he survived and manufacturing 68 costly run against Quick boys. This seasons he played patience inning, concentration was mathematically perfect.

D Rijkee, was his partner, only first over he smashed few 4 and taking single he torn his Hamstring strain, sadly he have go back to take rest, (retired hurt) later he came back no 10 along with chaudhry no 11, it was amazing partnership was 41 run, those 41run smashed by D Rijkee, Delightful 3 sixes and 4+5 was thrilling.

M Schwandt,

"know how to listen and you will profit even from those who talk badly" Schwandt, your passion for cricket is immeasurable, your talk about cricket is feeble, it is not your fault that you fell in love with cricket late, but you became fanatic and addicted lately, Cricket is very mysterious sport, unpredictable journey, strong nerve is required to demonstrate this skill, it is a mathematic, ultimate the test of nerve, standing only 22 yards away, he or she has to about half a second to decide how best to react to a missile traveling at 102 MPH that equally likely to be heading for their stamps or shoulders, swipe of scraper? defend or duck, pull or pull out?

So many decisions, so little time.

Your your brilliant 106 run, glorious Half cenutry against Quick,(64) marvelous half century against Olympia, moreover you are ambitious to play second team of HCC, very positive, keep training may be after 5 year they would give you chance.

C.A. de Lange,

lady with gold arms, demonstrated with higher caliber, with steel of nerve, she never show the weakness during the heat of battle, she dominated the batsmen, leg spin is a difficult to bowl, but he spell was exceptional, line en length was mathematically precise, few flights and few direct wicket to wicket, I was impressed he temperament, not showing any pressure, that is the art of sport, confidence is the most "attribute" required to not shaking your confidence during the fight, instead of searching the week point of batsmen. 7 over 37 run ,2 wicket. absolutely Marvelous.

H Mir,

He destroyed their dream, destroyed not their soul, they were so humiliated their batting performance, in cutter of Mir was so lethal, they could not read his swing in in-cutter with off-break, he took in first over 2 wicket to laid the foundation of victory, 7 over 28 run, 3 wicket .

Wim de Lange,

Social captaincy is to good, but it too social, any how, he administrated match with authority, for a while troops were not under control, soon he captured his Law degree to sustain the control, in cricket is the most and essential are discipline. I find bit odds during the bowling action few of us are chirping constantly, it should not happen, We all missed our great captain W Vore, Hoping he soon take over the Crown again.

All credit goes to leadership Mr Wim de Lang, heavy job of team selection, lot of injures and vacations, After the match they entertain us with beer lavishly, later Our great Gladiator Victor de great offers Red wine with snacks. That was a glorious day we enjoyed.(That is all Gentleman)

The greatest thing God created on earth--certainly greater then "sex" and I know what he meant, To those who get it, Cricket accounts among life's highest pleasures, said W G Grace,
