THAT WAS THAT 66ste jaargang nr. 12

Wedstrijdverslag VOC - CCG

You can not comparing the inexplicable scenery of surrounding of beautiful trees, a classic house with its everlasting beauty, an enchanting scene, the spiritual joy of watching the natural masterpiece of panoramic view, it looks like a painting of natural beauty, it seems to us we are setting in natural atmosphere, while you are setting of terrace (verandas) club house of HCC, Envision the architecture and cafe culture of Paris, the cuisine and fashion sense of Milan and cask of night life of Madrid, and you will begin to understand the allure of Buenos Aires, which combine some of the best aspects of those cities and restaurants, But sitting in front of HCC terrace is "Simply Marvelous"

Victor the great, Diderik, and Alf Zwilling invite me to Dinner in very exclusive place, Wine was OK, bread and Ice cream was excellent, rest of the story I let to establish a opinion to a high caliber gentleman, The valuable opinion of Mr Diderik was perfect, I do not mention here, but we have very sophisticated discussion about declining the social culture of cafe in Europe because of recession and unemployment among the wight collier gentry. Chasing 171 run was no so smooth as we would have thought, first wicket down D Rijkee caught behind wicket, 32 run, right after Schwandt clean bowled playing croc bat, shattering his dream of playing in second team of HCC and R Bouwer also could not stand heat and gave his wicket a perfect Yorker, only 10 run,

FH de Lange,

The most engaging young man a highly talented with bowling and batting, he was so modest not using his 100% speed otherwise whole team would have be back to pavilion, it would be disaster for them, vanquishing the toss they decided the batting first, they just established 171 run to chase, only R Kivits shine with bat 51 bowled by F de Lange, amazingly he got 2 victim also, I think he has glorious day beside that poor performing with bowling. FH de Lange have happiest nature and very open young man, quite opposite to his father, Wim hardly talk about social affairs with us.

Victor de Great,

This year the only emerging star is ? Victor the great, consistency and momentum is exceptional, he is a true match winner, he is a back bone of the team, whenever team have crisis he rescued us, he is genius and mentally strong and having an encyclopedia of cricket in his brain, always thinking during the heat of battle, his knowledge of cricket is just like a complete library, mostly he inspired the team and having fighting spirit to keep going never gave up, it is his nature. This year 180 run 6 wicket 3 catches. extra ordinary achievement.

S Ali,

In eleven only one is hero, in this episode he wrote history, his patines inning and standing in the crease and architecting the victory with slow process, playing in singles and searching the gap and waiting for the week bowlers observing the fielding network, against VOC he shows the guts and glory and he is master of concentration, 4 matches 247 run, great accomplishment. Man of the Match.

M Schwandt,

unbelievable hitting power, when he is storming in the field opposition have no clue what to do with him, every shot shake the earth under their feet, mesmerized their brain, unfortunately he is missing the batting technic, straight bat, coming in the line of ball, especially foot work, I give a example, Shied Afridi, Pakistani all rounder, he have the most sixes in the world, no body considered him proper batsman, but he is a show man of cricket. it is same example of Schwandt, if he concentrate to technic of batsmen ship, he could be a good batsman, but in this year he produce 265 run, great accomplishment,

Wim de Lang,

social captaincy is fluorescing with graceful manners, he is a diplomatic captain, All credit goes to him collecting and calling them to putting complete team for every Sunday is hell of job, he does not bating or bowling, always scoring with our princess Pathy, he is so compromising himself and with time, but FH de Lang is quite different then he, Silent person, not boring. he look like boring bank manger. Entertainment, they lavishly entertain us with drink, but chaudhry took immediately his task to entertain with more rich manners, revenue was 80€ 3 time snacks and create beer, only 7 people paid.

Fashion is a form of ugliness so intolerable that we have alter it every six month, (That is all Gentlemen)
