THAT WAS THAT 67ste jaargang nr. 6

Wedstrijdverslag CCG - Olympia

"Ode to Legendary Boxer"

The planet has been visited by a force as sharp as lightning from Louisville, he lit up the universe. He said if you are not courageous you will accomplish nothing and you will remain oppressed, downtrodden slave or even worse. The planet has been visited by awesome mighty power, yes he floated like butterfly and stung like a bee. Ruthlessly devour yet he was full of life. Three time heavyweight champion, This sporting spiritual warrior knew no peace came from gun, his slogan was no more killing no more killing, At that time people do not understand his wisdom, later when dust is settled mankind come to wisdom. People said Ali you are the saviour and redeemer, But he stopped the war and awarded the millions' mother noble blessing I think may be he was angle like Nelson Mandela or King Martyr Luther. When he said I am the greatest people said, "yes" you are the greatest" but you are the beautiful. Your one "No" save the millions life in this universe.

However H. Mir and K. Rijk have confident and has his game plan ready for the encounter, standing sweep beautifully timed lofted drives that were so reminiscent of his half century. K.Rijk developed his inning with patience, fortunately he got a chance, early in his inning they drop his easy catch, after that he recalled his concentration and became settled in crease. His 45 run were foundation of victory along with H. Mir they have great partnership 120 run. H. Mir has also a bit luck dolly catch was missed in middle of the pitch, keeper just watching the ball drooped front of him.

H.Mir,

Chess, cheek mate, cricket is a far more complex than Chess. Dynamic all rounder, within no time he accomplished 64 run, when he is in crease runs are raining, few delightful shots over the head of bowler, highly skilful placing, it is just like ball get through eye of the needle. If you are mentally able to play the best inning in the most important moments, you are different than others, H.Mir played a perfect inning against Olympia. H.Mir has great record against Olympia, his rolling shots are fabulous and helplessly fielders watch the balls passing by but alas, they couldn't do anything, they just claps the skill of the H.Mir's shot, or they have to said, shot of the day sir. Bowling, pin point accuracy, sheer speed terrorised the batsman. His first over he had success, and his last over he got second wicket of settled batsman "LBW" 7 over 32 run 2 wicket exceptional performing, he is the man of the match.

David and Goliath,

David has mysterious power which gifted from nature, there is no one could hit the ball which he could easily put out of the ground, he is fitted in "biblical story of the "David and Goliath" he destroy their dreams, he rip their heart with his long sword, he crush their soul, some time cricket make you so miserable you could not believe. One over 32 run it is incredible show, two ball has been disappeared. In this episode he played a main role in this drama, A spectacular catch which was the treat of eyes.

Marten Schwandt,

In this brave story, scriptwriter have an other role for him, he is the last hero in this strategic war to play the immortal role which he should remember rest of his life. His powerful hitting make him Giant gladiator to conquered the Room again. Yes, we can, it was the slogan of Spartacus, his huge sixes which landed in tense park was last straw in their soul. His 67 run are the best contribution this year. It was the Great inning.

Ware de Vroe and Alex de Geer,

They are the old guard in this episode, they both always turn the warfare into victory, over the years they were powerful hitter and furious fast bowlers, as experts said, you cannot beat experience. Alex 7 over 41 run no wicket, Ware 4 over 13 run exceptional bowling no wicket. 276 run are the main cause to create pressure. It is psychological warfare, steel of nerve you need it to chase the Mount Everest.

Chaudhry,

Spin bowling is about masks disguise, sleights of hand and tempting arcs. Batsman reach for the ball that is not there, or adapted a superior air, ignoring the one that set to go past but then inexplicably changes the course they are rendered illiterate, unable to read and spinning ball. He has rewritten the rules of his craft in front of few spectators. But one that needed of iron to perform consistently, Chaudhry has kept the craft alive with simple ploy, being a successful at it, By developing a "doosra" which turn the opposite way to a traditional off break that was invented by Saqlain Mushtaq Pakistani off spinner. If all those catches held Chaudhry have 4 wicket, but unfortunately 5 over 20 run 1 wicket, not bad, he is now leading wicket taker in our pool, plus 3 Tok Door" wicket.

Picnic time,

Chaudhry again, 220€ plus 50€ extra, Bill paid 270€ our captain paid more for last two Pitcher and snacks, few player have always no cash money, it is difficult for me to pay the payment in time. It is last reminder to who do not follow the rules, it is warning from Captain Ware de Vroe. What a day it was, soft delightful weather and finishing the match with huge margin. As our captain said dreadful fielding, it was chaos not discipline in ground, It universal truth "catches win the matches"
