THAT WAS THAT 68ste jaargang nr. 14

Wedstrijdverslag

The best and most beautiful thing in the world cannot be seen or even touched its must be felt with the heart, I am sure everybody knows it is the game of cricket. The most beautiful then Mona Liza, more thrilling then Harry Potter, most alluring then sex. The most poetic then classic dance, sensational apples and festival atmosphere of audience, chanting and booted tears and joys are parts and parcel of this drama.

It was a gorgeous weather, nature was smiling and dancing with cool breeze is kissing us with enchanting mood. Excelsior boy received us with smiling face, they offers us delicious coffee and engaged us with friendly conversation.

Winning the toss and CCG decided to field,

G Bouter,

His bowling was so mysteriously he mesmerised them all even they could not play his spin bowling and do not have any clue what to do those lethal deliveries. His off spin bowling was magic and zagging in the air, or in the crease ball sneak like a lethal snake bite the stumps. He ripped apart the Excelsior's top order grabbed 5 wicket for 9 run including the scalps of their captain. The script writer who want to create thrill in this episode more exciting then Harry Potter. It was heartwarming exhibition which we all enjoyed with gracious manners. He is so blessed that God give him cricket along with big lovely cricket family, rest of his life he never be alone.

C.A de Lange

Spin bowling is art and sheer concentration need to practice to be a perfect, if you are not in master in this art don't try it, its hearts you badly and put your team down, her leg spin is a magic, its need steel of nerve and line en length must be mathematically precise otherwise batsman smash you all over the ground. She has natural talent to exhibited the best show. 5 over 2 wicket 23 run, absolutely marvellous and glorious catch, well C.A de Lange.

It is not quantity or numbers to have eleven people, it is quality of intelligence to play this game. It is not statistics of the players what he could do in middle. We need inspiring motivation to do the job. Who create a motivation to do best performance when team need it? The leadership leads the team who create inspiration and the motivation.

Allure, a cricket captain should have mysteriously or fascinating power of attraction and charm such as Imran Khan, David Gower, Ian botham, Headily, SM Doni, S. Smith. Having special allure make them so special that is why people adore them. It is very sad that match we could win easily when we use our brain, only take single and develop slowly but surely, unfortunately our captain is under pressure of the captaincy, because of this reason he lost his batsman ship, last year he make lot of runs and we won many matches. Once upon a time a wise man give the three envelops to the cricket captain and advised him when you face great challenge and difficulties then you open first envelope , second in difficulties time you open, Captain open first envelope, it was written "Patience, then he open second envelop it was written, "More patience" when he face crisis he open third envelop, it was written, still more patience. Why this sport called king of sport. Against the Excelsior we have failed ourselves with fielding and bit catching, they make only 155 run. This match CCG should won easily but unfortunately CCG was collapsed in beginning of the match, Rijk and Brook got out cheaply, the huge wicket of Rijk put whole team under pressure only Rijkee resist a bit but he gave his wicket cheaply only 25 run along with JW de Vroe lost his patience and played a wrong shot, rest is history. We all out 108, they give us 29 were extra

M.P.Davidson,

He has been angry since 2015 against Ware and now he is angry with new captain to not have given the chance to bowling or batting, as you all remembered when he try left the Quick ground, me and victor brought him back. Cricket is a team sports, when team wine we all win and enjoy the same time as a team, if you make 100 run and team loos the match nobody will remember your 100 run. If you left CCG nobody will missed you but you would missed CCG horribly. You have no option to divorce us. In this age you don't find new wife new job new friends new CCG, I advise you to stay to be a part of CCG and fight for your genuine rights. Look your best friend Wim de Lange never ask to bowling and batting, whole day he is scoring and arranging the team, doing all the heard work to arrange pitch and carrying stole and water, never have any complaint, he is happy with same salary as it is now. I know you love third inning and have great time with us. Mr Rijk cannot make everybody happy, even Jesus Christ does not make happy till now. We are very complicated creature, Segmund Freud once said I understand human only 1% yet to discover 99% can you imagine how complicated we humans are?
