THAT WAS THAT 69ste jaargang nr. 4

Mededeling van de voorzitter

De kop is er af! Een fraaie overwinning op Olympia. Wij 204 ao in 34,4 overs, de vijand kwam door uitstekende bowlerij en scherpe fielding niet verder dan 148 ao in precies 34 overs. Kortom een mooi begin!

Chaudhry heeft zijn gebruikelijke verhaal geproduceerd. Voor het geval je iets niet begrijpt is hij bereid om persoonlijk uit te leggen wat er staat en wat daarmee bedoeld wordt.

Wedstrijdverslag

CCG vs Olympia

Wisdom means, experience and knowledge together with the power of applying them critically and practically with sagacity prudence & common sense.

Let his performance do the talking.

The glorious partnership between the K de Rijk and D Rijkee laid the foundation of delightful victory against Olympia. 125 run have long journey to accomplished its destination. It has many ups en down during the lethal tactics of Olympia's troops against CCG. They have no management before the match I missed the strategy how to combat against CCG's gladiators. Cricket is a genius game, just like a chess strategic move to analysis of human brain to observe the move of opposition, just like diplomatic style, as Churchill said during the second world war, Diplomacy is the art of telling people to go to hell in such a way that they ask for direction". As it is well known "Cricket diplomacy" between Australia and England, India agains England.

The inning of D Rijkee was very thoughtful and with cheer patiences, every ball he played with its merit. The thrilling 3 huge sixes were treat of the eyes, heart warming 4 fours to developed the fairy-tail. In this ground we achieved 316 runs also against mighty HCC. His 132 run is folklore, still Boudwine van de Ark remembered the historical match. Why cricket is "King of sports" it is unpredicted and some time achievable total looks like a climbing a Mount Everest. It is game of nerve and psychology, it is the game changing the ball by ball sustaining the thrill and excitement till the last ball has been bowled.

Captains inning,

He demonstrated with deep wisdom to architect his victorious inning with patience and composers. His 68 run are the victorious its first define the caliber and playing the captain's inning. Well done sir.

Bowling,

JW de Vroe, destroyed the heart en soul of our poor opposition, his pacy deliveries were spearhead unplayable pinpoint accuracy marvellous line & length, he should have 6 wicket but unfortunately few catches were neglected. His pace was more speed then last year, just like old is gold. The In winger deliveries were so deceptive even batsman do not have any clue how is posible the ball break his defence and hit the stamps two time.

Mystery Man Victor the Great

He is wizard, a man who has magical power, whenever team need him he turn the coin in shining place, yesterday he did with his deceptive leg break batsman have no ideas what to do or how to face such a mystery magic. We are all lucky to living the era of Shan Warren & Muraldharn, I often watch their legendary fairy-tail folk lore generation to generation of this unique art of magic. Victor the great took 3 wicket 5 over he gave only 18 run I think he is a IPL material to sign lucrative contract with rich club. But he decline due to his successful construction company. Catches,

It is a universal truth "catches win the matches" a huge catch was held by M Schwandt, but extraordinary two cates held by D Rijkee and 65 glorious run he smashed.

Chaudhry was absolutely rubbish and have no line en length very expensive, he should do more practice Instead of talking rubbish.
