THAT WAS THAT 69ste jaargang nr. 7

CCG bla bla bla

CCG vs Kampong

The greatest things God created on earth—certainly greatest then “Sex “ and I Know what he meant. To those who get it. Cricket counts among life’s highest pleasures. Said W.G.Grace. The beauty of this mysterious game is unpredictable events and unimagined thrilling moments are the hidden under your feet till it make you stun and unbelievable catches and thrilling sixes are the soul searching moments, which catch your sights and intrigue of cricket lovers around the glob.

Unbelievable right hand catch which held the Chief commissioners of police Mr M. Schwandt, for moment he stunted the whole atmosphere in trance, he makes impossible to possible in normal circumstances it is not even you could dream of it. Just ask Mike Brearley , who was philosopher before he became England captain and has been a psychotherapist since. All games revels charactor , but cricket reveal so much that it has long since been a study of life .How can any other sport compare and perfect even fully complete. That is why “Cricket is King of sports”

The Victor the great, mesmerised all the team of “Kampong” with his leg break, its took 40 year to accrue such a fascinated Miracle in the history of CCG especially the age of 58 Mr Victor the great span the ball just like a magic bats man have no clue how to handle the deception of the ball, it gives the more confusion to the batsman what to do with magic bal. The mystery would be remain unsolved perhaps after century some scientist try to think what was that? Why ball is moving in the air and adopted the course in different direction without permission of cricket rule. Our opposition did not believe what is going on with them. Mr Rijk has running catch which we all were amazed, such an eye catching intrigue is a shivering in the back bone and suddenly the nerves came back and we believed that phenomenal catch has been held by Rijk.

Rijkee and Rijk launched their campaign with majestic manners. The inning of Rijk was very thoughtful and with patience. The total was so little even our Big gun fired few rackets in the air which were enough to terrorised the opposition.

The social captancy of Schwandt in Toc d’Or was also a remarkable, keeping Green land with secular and Good governance is a main issue which he solved with political intellect and skill, actually he is technocrat and economics analyst in his own Think Tank. Davidson make 28 run not out it was cracking inning in twenty20 blast, he stood like solid rock against opposition he gave a tough fight with his unique style.

We all thanks to Mr Wim de Lange who gave us his 15 year as president, CCG honoured him life long membership as a legend personality all highest command stand up to his reception and bow the heads in his respect.

Dear President, Mr Dedriek Ditmijer, Wellcome again as noble duty of Green Land (CCG) I am sure your sharp intelligence and deep wisdom to enriching our brain with jurist prudence with your huge experience. Especially our captain is very happy personality like you is most suitable of this status Thank you behave of all CCG.

We, again have delightful atmosphere again with loud laughters and happiness. What a day it was, it is a new History. (That is all Gentlemen)
