THAT WAS THAT 69ste jaargang nr. 10

CCG bla bla bla

The greatest things God created on earth—certainly greatest then “Sex “ and I Know what he meant. To those who get it. Cricket counts among life’s highest pleasures said W G Grace.

It was amazing day sun was enchanting&smile like a smile of “Mona Liza” we have special friendship with VOC boys since 1999 till now throughout history we often beat them. Amazingly they fight back with their immortal energy and enthusiasm. Behind the wicket Bassey the captain pressing the claim to electrify their troops to concentrate in the game. He inspired the VOC Boys till last ball has been bowled, never give up it is his nature.

Analysis of this match was or you may say it was turning point a Unbelievable catch of D Rijkee, for a moment whole atmosphere was stunted no body had believe such event could happened. In normal circumstances you could not imagine even in dream . I think cricket of CCG is its best. The catch of Schwandt was also exceptional edge of the boundary also running is alway difficult that is way the golden principle has been proclaimed “catches win the matches”

Chaudhry also plays a role in this drama director Ware gave little role to catch with his fragile hand. The supersonic catch was held the Victor the great who caught a catch just like a built struck in his hand and after that ball never escaped. Little total is alway dangerous, psychologically CCG took so easy that our prime batsman were clean bowled.

Our most reliable batsman Rijk was clean bowled H Mir clean bowled Schwandt clean bowled in unusual (bizarre) circumstance , he thoughts Bassey played some Machiavellian tricks behind the wicket. As said in war or in love every tricks is justified but not in cricket, look recently Australian did they never came back in healthy state of mind. They are suffering guilty conscious,It is pricking them they lost confidence.

After 41 run 4 out, that was the point the real battle of surviving started , Victor the great played a role of linchpin of this “Battle of Rotterdam” with old guard Master Mr M Davidson who is geo strategist, he took his stance acquire leg his Geo psyche that is reason he mostly LBW out due to his Geochemistry stance but this battle he played a inning with his true conviction his sporting role is important, in this phase of match he creeping toward the style of ant’s walk.

Chaudhry

Because of our captains trusted me and inspiring the confidence to revival the old glory back, his motivation and cricket knowledge, especially timing is crucial of change either fielding or bowling . He knows what kind of batsman is in the crease, how many shots he has in his brain, leg side of off side that is special about him. Rest he is now becoming bit dementia to forget his cricket uniform in the car of his new lovers.

The Ware told me about Jan de Vroe he is drastically reducing his weight,It is worrisome we all wishing him soon healthy en wealthy with most valuable en loveable personality among us. Our love and prayers are with you. God bless you

S Dhar, the new lieutenant very energetic yet very enthusiast, he is the hero of this crucial battle but two experience think tank Victor the great and Davidson are negotiate with him ball by ball. The changing the tactics in changing the fielding around him, they knew he is the only one who took the victory out of jaws. They have best bowlers attacking with forceful machinery against Dhar. The Dhar stood against them like a iron wall, He has steel of nerve and huge patience to observe the ball and fielding, he is very strong cutting en pulling and point area. Running between the wicket was marvellous. His bowling was also fantastic, he took time to adjust his line en length and he took 2 wicket and restrict them only 157 total.

This year we won two matches against them, The match 31 overs, the winning run hit by our Ex president Wim de Lange beautiful leg glance.

Picnic en lunch was excellent, we enjoyed the day thoroughly at the end chaudhry have little gesture of awarding them 2 cricket caps because our comradeship became the just little cricket family. When we all gone just left the memories to talk those glorious moment which we share each others.

As Shakespeare said, This world is stage we all are actors playing tiny roll and disappears in the mist just left delightful moments. That is all Gentleman.
