

CCG vs ACC 19-05-2019

The greatest thing God created on earth—certainly greater than sex” and I know what he meant. To those who get it. Cricket account among life’s highest pleasures. Said W.G Grace.

People's responses reveal their intelligence, especially to abstractions such as humorous comments, creative interpretations, and not-so-obvious observations that connect seemingly unrelated dots.

I am more than ever convinced that cricket is the greatest game that exists for the delight and fascination of mankind. I am also confirmed in my settled view that of all forms of this great game, Test cricket is by far the most interesting, satisfying and lastingly memorable. Why cricket is the greatest of all games Osborne,

The greatest thing God created on earth—certainly greater than sex” and I know what he meant. To those who get it. Cricket account among life’s highest pleasures. Said W.G Grace.

Who is this Gentleman, is he a genius, of course, he is? Playing cricket is not easy, bowling skill, batting skill, besides that a steel of nerve extreme concentration to judge the ball in the heat of battle. S.Osborne is an inspiration for CCG. How he laid the foundation of his innings with sheer confidence. He is a proper batsman, having a huge knowledge of this beautiful game of cricket. I notice while I was administrating the umpiring duty the ACC boys sledging to him to break his concentration, he gave them very cold glare to make sure that I am not under the impression your useless remarks. They got the message. He played few glorious shots in squire and few magnificent sixes were a treat of eyes.

As W.G.Grace once said,

What is the secret weapon that sets you apart from others? I mean anything that helps you win or achieve little or big successes and victories in life, business, academics, sports, family, relationship, and career just to mention a few. only cricket

He is a perfect allrounder, with the bowling he even destroyed their heart & soul with his pinpoint accuracy with out-swinger, occasionally out-swinger bowling which deceives the batsman. That is a unique art in the bowling department. The greatest the legendary Wasim Akram is the only bowler in the history of cricket swings the ball in same action both side inswinger or out the singer. In the history of cricket among the greatest bowlers, he is the number one. It great pity he couldn’t complete his half-century he accomplished 48 golden runs, of course after him our team collapse horribly, M. Schwandt and S. Osborne could have great opportunity to win the Match for CCG. Anyhow he is the Man of the Match.

B.S Sandberg,

He destroyed our heart and soul with his speed and quick bowling, amazingly good pace, line, and length were perfect, our boys couldn't play this boy, 7 over 14 run 4 wickets simply best.

M.J.Watts, Dr. Watson who was a hidden mission to destroyed us, he really humiliated us with his 82 cracking shots all over the ground

M.Shwandt has misunderstanding running between the wicket, actually, H. Mir has called him so H. Mir sacrifices his wicket for settle batsman M.Shwandt.

Mr. Schwandt was playing with very wisely and taking the singles regularly and frustrating them at that time we need only 30 runs to win but unfortunately, he gave his wicket cheaply, he could have won the match for CCG. He lost his patience at the end because of pressure. Chasing only 167 runs was so easy if run out incident never happens. Mr, M. Schwandt has developed a slow inning everybody was thinking today he would be accomplished century or half century, unfortunately, he achieved only 29 runs but this 29 run works for next game. His confidence is high now.

Captain the Great,

Our captain has great motivation inspiration attitude, he hates to loos, his personal life is full of success in the business sector but loves cricket more than sex. His bowling was extraordinarily fast and mathematically precise difficult to play. 7 over 47 runs only 2 wickets. These days he also gave training and teach us cricket. He indicated, where we make a mistake or how we could repair our mistake, only listen to him. Only a little cameo of D Rijkee create thrill in few minutes within 2 overs he smashed 20.

H Mir,

The best bowling was Mir, line, and the length was mathematically precise, some deliveries were unplayable 7 over 17 runs only 1 wicket best bowling.

A Zwilling 4 over 42 run only one wicket, very expensive indeed,

H Mir, and A Zwilling,

Excellent, lunch, highly economical and more delicious and very healthy and full of nutrition. We enjoyed the day beside we failed horribly. as our captain said gave away the match.
