It was a hazy evening, I call Victor the great to coffee with cake H Mir and R, Rijk SC Osborn, Brooks, our lovely Pathy en H Mir, Shahid was already there, we enjoyed with a delightful conversation about the tour, everybody was so excited and looking forward to seeing Spain. We all are very thankful of Victor who took initiate the difficult in term of financial reason, but our financial secretary is so lavish to help 50% travel cost to sponsor to CCG members, that is a great gesture of kind nature to create love among the CCG boys. This year we have great experience against different kind of opposition which we could easily win the contest, but unfortunately, this year we lost the two matches easily. Anyhow it is all in the game. All competitors were great and highly polite and friendly, the blessing of weather was heavenly and the enchanting heartwarming, golden sun was always with us till the last match.

After winning the match we set in the sun and have a great picnic with Ajax they entertain us lavishly manners.

It was very easy to match our opposition was not so strong and bit mentally despairs, individuals they very strong, but they have no cricket knowledge and they have no combination to click the team. That is the reason our captain is genius and deep strategist, he is specialized to have the instinct to know the timing when or which phase of time to change the course of a move. That is God gifted spirit our captain has it.
