

CCG vs Ajax

The greatest things God created on earth—certainly greatest then “Sex “ and I know what he meant. To those who get it. Cricket counts among life’s highest pleasures said, W G Grace.

We received the Ajax cricket team with respect and entertain them with coffee and having a social en pandemic coronavirus and our main ground with first eleven was playing with Dosti. It was glorious weather. We all enjoy watching the match.

It is a universal truth you can’t beat experience, The partnership between H Mir and D Rijkee 110 both retired, in the end, D Rijkee creates a thrill in the match more unique and exited through his mighty hitting. Ware de Vroe who has unlimited experience in the certain situation of the match he switched his brain’s frequencies to so slow emotions to rehabilitate the inning again which our young generation has left. (Retired) Every ball he played with sheer cautious fashion and slowly but surreally creeping the ants’ manners towards the victory. He is always positive no panic in his mind. He transforming a CCG into a competent globally acceptable(The match report Wirral to Australia to South Africa) As usual Mr. H Mir played an ankle roll in this battle, poor Ajax has brutally punished by H Mir and D. Rijkee. All those sixes were delight full and thrilling.

We had the huge audience of HCC watching our beautiful cracker with firework H Mir and Rijkee.

If this was CCG’s best attack this week, what has changed for it not to be their best attack next week? If anything, given the fast, bouncy nature of HCC pitch you could say there is even more justification for Steve and H Mir bowling so fast and unplayable deliveries are so fascinating to watch.

Chaudhry,

His form is back, he transforms himself into killing mat-chin lately. He mesmerised them, even their best player has been injured it is pity. Chaudhry 3 wicket in 7 overs, it is marvelous. but credit goes to Maurits Davidson, 2 overs he took 2 wickets, how amazing to have an impact on slow and looming deliveries in the match.

All created goes to our two gentleman “Wim de Lange” who arranged the team and grounds lunch,

Captaincy

The visionary captain who always has intrigue, Ware is a real leader, he must study each one of them as individuals, get to know their temperaments, and how best to handle them both on and the fields and out the field. Nothing destroys morale more than a lack of communication between captain and players. He is a master of communication in the field and out of the fields. He often said to me in this beautiful game of cricket, Discipline is essential in any cricket team. Well, said sir.

Picnic time,

In this contemporary time, the domestic financial condition of the bar is no so successful due to the pandemic of coronavirus, everything is got (prices) sky-high. Chaudhry collect 245 for 10 member Our M. Davidson paid 45€ and honorable D. Didreick 30€ our gracious Wim de Lange paid 20€ plus 2 jugs also rest paid 20€ each, as the president told me it is not enough. It was coffee, soft drinks included. For beer very little left to enjoy so people individually paid later. The analysis is we all enjoyed it properly. What a day it was, that is all Gentleman.
