

## Kampong vs CCG

There is no great man, just great challenges in which ordinary men are forced by circumstances to meet.

It was a titanic dual between two best teams, they are a young and good cricketer, they played attacking cricket aggressive and giving no chance to sparing us. They were butchering us with no mercy at all. Of course, it is miniature warfare with tactics and strategy. It is universal truth you can't beat experience. But unfortunately, that citation is wrong I am better or worse as I pray more or less it works for me with mathematical precision. We gathered 213 run the partnership with few people the consistent player was S.Mehmood, his 74 run was millstone to reach our victory but alas it couldn't happen against Kampong. If you gave 39 runs wide balls, it pinch your heart.

It seems to us they keep coming to put us down let us rubbing our nose in the dust, again and again, our fielding scattered like a crowd without any cricket discipline, Captain ware stand up and take the command again and brought his hidden weapon Chaudhry he creates little thrill but too late.

Our great captain said push yourself because none else is going to do it for you. He keeps his troops maneuvering around and keep looking the opportunity to break the partnership, It was decided over T. Karaya who gave the 13 runs in his last over, otherwise, he was the most successful bowler in CCG.7 over 55 run 2 wickets, Given the circumstances that were a great performance but the thrill was also created by Chaudhry who took 3 wickets and arranged a run out also. In one over revolution happened. What a beautiful game of cricket it is, that is why cricket is a King of sports. It was joy and excitement.

It was little speech given by Chaudhry at the end of this heartwarming thriller. To be successful, you have to use each day as an opportunity to improve, to be better, to get a little bit closer to your goals. It might sound like a lot of work—and with a busy schedule, next to impossible. But the best part is, the more you accomplish, the more you'll want to do, the higher you'll want to reach the more you enjoy the game of cricket. So as long as you have the hunger for success, you will always have the power within you to achieve it.

Picnic time, it was a glorious day and thrilling epic captured our mind and soul. Far a while we all forgot the unknown pandemic, just the beautiful game of cricket, that is why it calls the king of sports. That is all Gentleman.
