The greatest things God created on earth—certainly greatest then “Sex “ and I know what he meant. To those who get it. Cricket counts among life’s highest pleasures said, W G Grace.

The space where Cricket is King of the sports.

- Australia and England are the oldest Test teams and played the first-ever Test match in the history of the game. That was back in 1877 and the Melbourne Cricket Ground (MCG) hosted it. A century years later, the two teams played a Test match to mark the 100th anniversary of Test cricket at the same venue where it all began. In both games, the result went in Australia’s favour. Not only that, they won both games by 45 runs.

Now human took sigh of relief, everyone has been vaccinated to feel safe and free, all those horrible thoughts were gone and human beings accepted the challenge of this pandemic and around the world. The pandemic damaged the economy harshly. But human being never defeated by such kind of crisis. The mankind always accepted the challenge.

It is a universal truth, first impression is a last impression. We stamped a shining accomplishment. We crashed them with huge total 275 runs. our openers launched their campaign with majestic manners. The first causality was misunderstanding between Sjjad and KD Rijk. Rijk running without watching his partner. Both were in dead side of the wicket.

Now the real partnership started. Hamid playing with cautions and occasionally he smashed glorious boundaries and delightful single were treat of the eyes. It was proper cricket and perfect partnership between Sjjad and Hamid. Unfortunately playing a loose shot and give away his wicket mid off easy catch.

Hamid Mir,

Standing sweep, beautifully timed lofted drives that were so reminiscent of his century. Hamid is dynamic all rounder, superb individual performance 119 well done Sir. Very economical bowling only 1 wicket, but winning catch. Man of the Match.

But show has been stolen by Rafael within no time smashing 50 runs were a perfect thrill more beautiful than Harry Potter. Huge sixes and cracking boundaries were wonderful to watch.

All credits goes to our genius captain sir Ware de vroe. He sacrifices his bowling and batting for youngster. That is the true spirits of the game.
