## **WEDSTRIJDVERSLAGEN**

### **Zaterdag 05 juli 2003 CCG Vet – VOC Vet**

We veterans were looking to achieve our first victory , in this grueling and decisive season, the 1<sup>st</sup> team's recent win galled us, today we needed Our's. The weather was heavy and overcast but remained dry throughout, we had a full 11, plus resident umpire Diederik, enough reason to hope for the positive.

VOC win the toss and bat first, our opening bowlers Bernard and Warre restrict their batsmen to rows of boring dot balls, wides being their only early score, 9 runs in 7 overs. Change bowling of Mubin (is this his Return, Last or a Guest Appearance?) brought aah's from the fielders but the first wicket fell to Maurits, a skied catch held by Jeff. Next over a clean bowled by Mubin, 15 for 2 in 10 overs, this looked promising, but Parker and Maasdam steadied VOC's ship. With slow but sure progress VOC built up their score, Parker (59) struck 4 lofty 6's that took some finding, we were becoming silent and sullen in the field, not even our usual "mopperen", 121 for 2 in 27 overs. Smoor's "smullen" proved to be their downfall, Bernard thrice removes the leg stump, 129 for 5 in 32 and 142 for 6 in 34 overs gave us hope, but batsmen Everdingen and Bannink bludgeoned their total to 190 for 8 in the full 40 overs. Bowling : B.Smoor 3 wickets for 27 in 10, W.de Vroe 1 for 26 in 8, F.Mubin 2 for 40 in 7, M.Davidson 1 for 16 in 5, M.Judkins (farewell appearance) 0 for 50 in 7 and V.van Oosterzee 0 for 25 in 3. A sharp runout throw from Warre and 2 missed (but difficult) catches by Paul and Martin were the only noteworthy points, 191 runs required to win, even on this small field this was a big score for us to get, we had it all to do.

Openers Sydney and Dugald set us off positively on course, runs came steadily and securely, 24 for 0 in 7. Unfortunately Sydney (10) erred and was bowled, Warre (1), backbone of recent batting, hesitated and was simply caught, 33 for 2 in 10, no great need to panic, but definitely not what we needed! Martin (0) clean bowled in short time to some dubious left arm action –oooo, this is not looking good, 44 for 3 in 13. Pleasure boat captain Victor sails in from his moorings at Kaagplas to steady our ship, perhaps he and Dugald can take us on to safer waters. But no, the wonky left arm spastic prevails, our midshipmen succumb, Dugald (30, 3x4), Maurits (3), and Paul (3) are all left muttering on the sidelines of "bad actions and throwing", 118 for 6 in 28 overs, we were taking on water! Bernard (13) cast off "the habit of his lifetime" to strike the ball aggressively but VOC's fielding curbed him to singles, together with Victor smiting the ball well, perhaps we could come close. Bernard falls, 118 for 7 in 29,

73 required in a little more than 10 overs. This was W.J. Kok's fifth victim! (joke: got the time on you' cock? – don't be daft, that's a stupid place to have your watch! – boom boom.)- Perhaps this was how he bamboozled us. Jeff joins Vic, we were slowing down, getting Vic on the strike was not easy but there was still hope, 7 an over was required. In the 35<sup>th</sup> over Jeff lashed out and 15 runs came, a case of going down with all guns blazing, the fans (my kids) felt there was hope, but the next over Victor (59 top score, 7x4, 1x6) hit out and was caught, followed by Mubin (0) clean bowled pushing his boat out a little too far. 159 for 9, 32 required in 3 overs. Ray (0 no.) achieved his best batting performance of the season, though done mainly using his knees, Jeff (30, 3x4, 1x6) succumbed to his new found ego and lashed out again, but missed, CCG. Vet's 160 all out in the 39<sup>th</sup> over, and as said by Diederik later "at least we had made a game of it!"

Having to do refreshments ourselves is proving awkward, especially if everyone just sits in the way waiting to be fed, but Bernard's inspirational chicken-liver broodjes in the 3<sup>rd</sup> innings provided the perfect taste bud titillation complementing the bier.

Pakistan's version : "the True and Spiritual Meaning of Life can be seen in Cricket and CCG – everything is intertwined and related, all white and soft" so sayeth the prophet Chaudhry.

Nederlands versie : "me hebben verloren"- weer!

#### **VCC 4: 198 v. 7 - CCG I : 194 all out**

Op een toch wel mooie zondag in juli hebben we van een leuk spelend VCC verloren. Oorzaak te weinig runs op het kleine veld en te weinig goede bowlers. Het fielden zal nooit de sterkste kant zijn en vandaag was het niet al te slecht met weinig echt gemiste vangen en twee goede vangen van Paul en Diederik. En een vangetje achter het wicket van JW. We begonnen na een nu eens gewonnen toss met batten. Dugald met zijn maiden fifty (65) en Paul (5) begonnen snel met een stand van 35 voor 1 in 7 overs. Gek genoeg zakte het tempo, want JW (54) en Dugald zijn allebei natural strokemakers. Het runnen was niet al te snel, maar gezegd moet worden dat VCC een jeugdige team heeft dat redelijk snel bij de bal was. David kwam met 1 run niet los en Emmo was geblesseerd afgehaakt zodat we wat batting kracht misten. Shariq (2), Herman (15) en Diederik (10) zorgden samen met Danesh (7) voor enige versnelling. Munish (14) met twee goede vieren zorgde voor een goede afsluiting. Helaas konden Wim en Chaudhry niet voor een bijdrage zorgen, zodat we op 194 bleven steken. Op het kleine VCC-veld niet al te veel.

De lunch was verzorgd door onze vriend Chaudhry. Erg lekkere kip met groenten en brood. Erg smakelijk en voor herhaling vatbaar. Dank namens alle gebruikers. Zo zie je maar weer dat iedereen toch weer verborgen talenten heeft. Wie had gedacht dat onze Chaudhry een uitstekende kok zou zijn. Onze vrienden van VCC waren een beetje in verwarring. Het was hun thuiswedstrijd., maar daar zij al jaren niet voor een lunch en dergelijke zorgen, hadden wij het initiatief genomen om dit zelf te doen. Blijkt dat zij uiterekend nu ook voor een lunch hadden gezorgd. Kortom dubbele eetpret. Iedereen heeft van Chaudhrys lunch genoten.

Over het fielden kan ik nu verder kort zijn. VCC beschikt over het topbat Alexander de Geer (91: 8x6, 6x4) en hij gaf halve kansjes maar zorgde ervoor dat VCC in de 37<sup>e</sup> over de overwinning kon veiligstellen. De bowlingcijfers waren: Herman 3 voor 24 in 9 waaronder zijn eerste echte hattrick, Shariq 1 voor 26 in 4, Chaudhry 2 voor 29 in 10 (well bowled), Wim 1 voor 26 in 4, Danesh (0 voor 24 in 2 (ongelukkig), Munish 0 voor 32 in 3 en David 0 voor 33 in 4. Samengevat een nederlaag te wijten aan te weinig runs en te matig bowlen, maar er kan ook geconstateerd worden dat we van De Geer verloren hebben, hij maakte vele runs en bowlde ook nog eens 1 voor 33 in 10.

Blijven oefenen mannen.

### VCC against CCG

*The grand essentials of happiness are something to do, something to love and something to hope for.*

*It was most probably the happiest moment for our captain, who complete his hattrick against VCC. Unfortunately we lost this exciting match due to many fact, first of all our bowling side was not so comprehensive against their batting line, the match we played without any strategy, we have three strategist in our squad, we do not enjoy their intellectual approach, it is a great pity, but unfortunately our high supreme elite command do not have time to establish a planning to fight against opposition.*

*At last our captain won the toss and decided to bat first, our two lieutenant have established a positive campaign against our enemy, they gave us a perfect foundation 100 partnership is a unique in our competition, rest of us even do not produce reasonable total to give the bowler to fight back, we make 194 all out our tail enders create a some sensational at the end of this love and heat story. Dugles make 60 runs very patience half century and Quarrels hit half-century majestic style, he hit three sixes with power and good skill, we all appreciate his gladiator effort, his keeping was also sharp and perfect.*

*The main feature of this battle was our captain who took 3 wicket for 29 run in 8 over, I always forgets to mention our hidden weapon Mr Wim de Lange who always create thrilling in the heat of the battle, he took 2 wickets but bit expensive at the end. Alex de Gear smash all our bowlers except Chaudhry, he is a wonderful off-spinner and lethal deliveries are so pin point accuracy that batsman have no chance to hit him. He end up only 2 wicket 10 over for 23 it is a remarkable achievement. It was moral victory we missed many catches and bad fielding, but passage of time our team growing mature and we enjoying the good weather and excellent lunch. That's all.*
