THAT WAS THAT 69ste jaargang nr. 13

Mededeling Bestuur

De weer aangezette - en tot op het bot getergde - captain Warre de Vroe heeft het onmogelijke gepresteerd: 10 oudjes en 1 - vrij hard slaande - youngster mochten zondag 29 juli na de wedstrijd tegen Ajax Leiden de kelken heffen. KNCB-functionaris Willem Winckel huldigde direct de 1100 jaar cricket-ervaring. Wie had dat gedacht dat de CCG-ers liefst 8 maal dit seizoen het ""boven aan de lijst" mochten aanheffen? Coulant als CCG is gunnen wij het team van Quick de promotie naar de Zomi-1 poule.

Het bestuur (met name de penningmeester) beraadt zich over een kampioensfeest.

CCG bla bla bla

Ajax vs CCG

There are two kind of leaders: those who are created by history and those who create history, WJ de Vroe create history. Outstanding contribution, Well done Sir

What is championship? Unlimited struggle, dream of reaching the last dual against anime. Once a champion always a champion, our great captain said, it is a team work. Ware de Vroe who is born to win the championship, his commitment his gutsy character in heat of battle he kept his nerve observing the tacts of his adversaries and made the crucial decisions accordingly, amazingly he always accomplished his goals. When we were celebrating in the dressing room under the shower he describes the meaning of the championship talent and individual performance to wine the game, but teamwork and vision win the championship. I think, if you have dream to be a champion, you have learn to handle stress and pressure , if you have desire dedication determination concentration and will to win. Then you are the true champion. In CCG case, iconic leadership Mr Ware de Vroe's legacy (birth right) earn the Championship for CCG. Congratulation Sir CCG built huge task 197 run including 106 of Rijkee for AJAX it was so slow and heavy ground only 74 a guy hit us he provided a little resistant agains our bowling attack. They have bowling batting fielding but als not genius captain like Ware.

Once W G Grace said,

Champions do not become champions win the match, but in hours weeks months and years they spend preparing strongly desire and have vision for it. The victorious performance itself is merely the demonstration of their championship.

Victor the great,

"His bowling has come on leaps and bounds" he is a wizard or magic and skill in his brain, just like a chess, patines concentration field placing is just like strategic depth, it is just like hunter knight a net to trap the victim. The Victor the great has huge experience in this beautiful game of cricket, this year he was the only successful bowler in whole tournament 17 wicket that is great achievement, the 17th wicket was real magic ball jump over the batsman's head and struck the stamps we all amused how is posible that ball spin and kissed the stamps. He is the centre part of this block buster Championship. The best fielder and safe hand in business in point region. The most important is he is always smiling during the process.

D Rijkee

There is nothing more impressive than a man with confidence with self and inner confidence cams with in physical and mental attributes, D Rijkee struck measured 106 run as CCG completed a super Championship, how ruthless he was against Ajax, As John Keats said, The planet has been visited by a force as sharp as lightning from the heaven. If you are not courageous you will accomplish nothing. But Rijkee stand up against every odds and conquered the last war and won the championship in single handed. Again he is the highest run achievers in tournament 333, it is exceptional achievement, he has few extraordinary catches also which make him special in the fielding department also. His overall performance is marvellous. Every shot he played its create thrill and excitement, cricket is a strange game, unpredictable puzzle, full of mystery that is why cricket is king of sports.

K Rijk,

A person with special character, very serious with his diplomacy he is steady in batsman ship like run machine, but very concentrated with batting very reliable gladiator in our team. He is the second highest run getter in whole tournament 268 run great achievement,

he is the most fit fielder in our team and also behind the stumps is quick. Wicket keeping is most difficult job in the cricket.

H Mir,

Perfect allrounder, extremely aggressive to achieve his objectives, match winner little chubby guy, but extremely active in field look like a little Robot very tense in the field. He is linchpin in our team, constant giving advise to our captain, Bowling department, he is always change the course of battle when CCG need to break the partnership, His death bowling is more dangerous then first spell. Against VOC, Kampong, he took wicket and run and won the match. After the Victor the great he is the highest wicket taker 10 with bat 175 valuable run this championship.

M Schwandt,

M Schwandt, this year he has only 173 run not bad he could do better if he use front foot, same like D Rijkee did in last match against AJAX but he has power to hit ball mails away but cricket has strange nature a tiny boy Dundulker hit sixes and brilliant 4. cricket is not power, Cricket is in your brain and steel of nerve and moreover timing and cricket knowledge.

Chaudhry

This year is not so successful with his off spin he archives only 8 wicket, but ware de Vroe took 12 wicket this year with bat only 106 run brilliant all round performance.

M Davidson

All credit goes to M Davidson who arrange the team and creative webmaster and beer sponsors and most intelligent gentleman.

D Diederik,

President, D Diderik , the genius and intellectual gentleman, holding law degree with public notary office always critics that make him more special, because he said to me there is always room to improve my critics are progressive and futurist Two time he invited us to have grand dinner in lucrative restaurant to celebrate our championship. That is all my dear Champions, still we have many year to come to memories the folklore fairy tail. Once a champion always a champion

Helaas gaat de wedstrijd tegen ACC niet door omdat ze te weinig spelers hebben.

Mededeling van de penningmeester

In tegenstelling tot vorig jaar is de betalingsdiscipline van nogal wat leden m.b.t. de contributie teleurstellend. Aan degenen die nog niet hebben betaald is ter herinnering een contributienota 2018 uitgezonden. Gaarne op tijd betalen (voordat het seizoen is afgelopen en de discipline helemaal is verdwenen!).
