### CCG vs VCC

Voicing and waving the truth define moral justice , to oneself that beautifies and fragrance universal justice.

Virginia Woolf is undoubtedly one of the most famous female writers of all time. A modernist, her books and essays are characterised by the movement's stream of consciousness style, interior perspectives and abandonment of a linear narrative. A thoroughly talented writer, Woolf was a groundbreaker in her field and her books are a must for those who want to explore 20th-century literature. Here are some of her most beloved works.

## Mededeling van de penningmeester

In tegenstelling tot vorig jaar is de betalingsdiscipline van nogal wat leden m.b.t. de contributie teleurstellend. Aan degenen die nog niet hebben betaald is ter herinnering een contributienota 2018 uitgezonden. Gaarne op tijd betalen (voordat het seizoen is afgelopen en de discipline helemaal is verdwenen!).
