

CCG – AJAX Leiden 12 Mei 2019

Sondagmiddag, De Diepput. 13:00 uur.

Nou ja, hier gaan ons weer!

Nadat skipper Warre die toss verloor neem die manne van CCG die veld in teen 'n gedugte en langjarige teenstander Ajax krieketklub uit Leiden.

In vorige jare het ons maklik gewen, maar dis 'n nuwe span van Ajax, met 'n paar nuwe gesigte. Veral 'n nuwe gespierde jonge en 'n aanvallige blonde speelster val op.

Hamid open die boulwerk. Hy boul vinnig en akkuraat en is ongelukkig om nie 'n paaltjie te vat nie. Klaus kom in van die ander kant af en aanvanklik gaan dit swaar -- tot Victor "Golden Arm" van Oosterzee die deurbraak maak: 'n vangskoot uit die boonste rakke.

Die volgende paaltjie val vinnig daarna, maar Ajax staan daarna vas met hulle nommer drie en vier kolwers. Dit maak nie saak wat ons gooi nie, die jonge met die spiere staan vas en slaan ons links en regs. Die Engelse het 'n gesegde vir iemand wat eintlik to goed is vir die liga waarin hy speel. Dit noem hulle 'n "flat track bully."

Uiteindelik kom die deurbraak: Skipper Warre boul 'n bal wat laag bly en D. Brouwer op sy beenskatte tref. LBW! Die appel slaag en die ump gee hom uit op 68. D. Brouwer wil nog argumenteer, maar die manne van CCG vertel hom gou dat dit tyd is om die veld te verlaat. Victor "Golden arm" vernietig die paaltjie van B. Hota op 60 met 'n briljante boul-en-vang.

Op die ou einde slaan Ajax 200 teen CCG. 'n Goeie totaal, maar dan, ons word dikwels onderskat, veral as ons in die tweede beurt gaan kolf. Ajax is lekker gerus tydens middagete (die krokette is 'n verbetering van vorige jare) en dink hulle gaan maklik wen, terwyl die manne van CCG diep sit en dink.

Ons twee openingskolwers Klaus en Martin is in. Schwandt verloor gou sy paaltjie deur 'n vangskoot en ons nommer drie Hamid "steps up to the plate."

Klaus en Hamid lê die grondwerk.

Na 'n brawe kolfessie van Klaus word hy eindelijk uitgeboul vir 44 met 'n gelukkige bal wat die balkies tref.

Volgende in is Alf, wat ongelukkig uitgehardloop word na 'n misverstand in kommunikasie.

"Klein" Dawid is volgende in. Gelukkig is sy oog ook in en 'n vinnige 23 stuur CCG op pad na oorwinning.

Brookie is volgende in en lyk goed in vorm, maar word helaas uitgeboul vir 5.

Vickie van Oosterzee vat die laaste paar balle, maar dit is Hamid, held van die dag wat met 'n overbeterlike 77 nie uit nie van die veld af stap.

Knap gedaan Hamid! My nominasie vir "Man of the Match" met sy kolfwerk en bouslyfers van 36/1/7 met 2 maidens.

CCG wen met 201/5! Ons jagtog op nog 'n ligasege het begin!

PS: Die mooie blonde, so draai dit uit, is toevallig die suster van een-of-ander Engelse speler genaamd Eoin Morgan.

CCG vs Ajax

The greatest thing God created on earth—certainly greater than sex” and I know what he meant. To those who get it. Cricket account among life’s highest pleasures. Said W.G Grace.

What is the point of living if all my achievements and happiness will be gone when I die? Do not dwell in the past do not dream the future, concentrate the mind on the present moment. First time CCG boys laugh again it has been a long time it did not happen, As Charlie Chaplin said, A day without laughter is a day wasted. Laughing is medicine as Sigmund Freud said (laughing is a therapy of depression)

Ware de Vroe,

Our captain losing the toss and “Ajax” decided to elect the batting first they produce 200 runs as our captain described the process the match, our bowling fielding, and keeping was not so good. As “W.G” GRACE said, “But”, it's game sense (impressive) he knows how to play the game, almost know what’s going

to happen before it happens, that call vision. Ware de Vore is not the only captain, he knows the moment by moment ball by ball what is going to happen Numerous studies have found that morning people are more persistent, self-directed and agreeable. They set higher goals for themselves, plan for the future more and have a better sense of well-being. And compared to night owls, they're less likely to be depressed, drink or smoke. (said Ware De Vroe) Walking with dogs early in the morning.

H. Mir,

Our opener has been very sustainable and trustworthy pair through the whole seasons Mr. Schwandt en K. Rijk launch their assault with sheer concentration adjusting their nerve in the crease, knighting the thoughtful strategy against young fast bowler and another side the spinners, unfortunately M.Schwandt got out an excellent delivery outside of the "off-stamp" kissing the edge behind the stumps, indeed very cheaply without using front foot. The real and trustworthy partnership laid the foundation of victory R.Rijk and H.Mir, It is an economics term sustainable pair. (sustainable strategy said Great Sir Winston Churchill)

K. Rijk,

As usual, slow en steady building the castle (magnificent)brick by brick with patients precision, placing the ball with its merit that is the special Rijk which we know through years, his glorious 44 run, without doubt, is stamping the victory against Ajax. He is the only physically fit and best keeper in these circumstances, As Shakespeare said when sorrow comes spies but in battalions. The true and full of confidence Mr. H. Mir, taking the single under their nose was creating the thrill, giving the opposition frustration, occasionally smashing a glorious four. Magnificently running between the wicket was delightful to watch.

Perfect all-rounder, yesterday he exhibited a marvelous inning. Actually, he built a beautiful castle, brick by brick with magnificent ornament, "Runs" (delightful 4 and glorious sixes)as a genius cricketer he knows the winning tricks. His concentration and cricket knowledge, timing and merit to play the ball are magnificent. His 77 run is the foundation of great victory he is the man of the match. Our great gladiator Rijkee achieved only 27 runs few thrilling sixes were eye-catching sights.

Bowling analysis,

Only the H Mir was best bowling pinpoint accuracy, only one wicket, Rijk, one wicket, captain only 1 wicket. Chaudhry was the worse, low standard and rubbish more practice. Henop 3 overs 27 run much better then Chaudhry.

Picnic time,

Alf Zwilling highly sophisticated gentleman arranged a delightful picnic for us, we are thankful to a friend of victor who sponsors the Lunch to us 150€.

Chaudhry,

I've learned so much from my mistakes, I 'm thinking of making a few more.

The mistake does not always mean that you are wrong and another person is

right.

If just means that you value your relationship more than your ego. Mistakes are meant for learning not rep.
